

FOR IMMEDIATE RELEASE

Black Wall Design Co. Enhances Accessibility for Disabled Veteran Through U.S. Department of Veterans Affairs SAH Grant

- **Chicago Ridge, IL – July 8th, 2024** - Black Wall Design Co. is proud to announce a new project in collaboration with the Specially Adapted Housing (SAH) Grant program offered by the U.S. Department of Veterans Affairs. This project aims to help a disabled veteran enjoy the full potential of his home by implementing essential modifications that enhance accessibility and independence.

The SAH Grant provides vital support to Veterans and service members with specific service-connected disabilities, enabling them to purchase or modify their homes to better suit their needs. These modifications can include installing ramps, widening doorways, and other essential changes to facilitate a more independent and comfortable living environment.

A veteran in Beecher, IL is eagerly anticipating the completion of modifications that will allow him to access the exterior of his home safely and easily, along with a fully functional and accessible bathroom. This transformation will significantly improve his quality of life, allowing him to live with greater independence and ease.

How is Black Wall Design Co. Helping Veterans?

We assist veterans in developing detailed plans that align with the requirements of their housing grants, ensuring compliance and maximizing the benefits of available funding.

Our experienced contractors are skilled in all aspects of home modification, including installing ramps, widening doorways, and creating accessible bathrooms.

We work closely with Veterans Affairs offices and other relevant agencies to streamline the grant application and approval process, minimizing delays and ensuring a seamless experience for our clients.

Ann Woodard, Black Wall Design Co. Vice President of Client Relations states "This is not just another project. Honoring veterans who were willing to lay down their lives for our country is a pleasure and a privilege. There are more veterans just like this one who need our help and assistance, and we're committed to providing it."

For nearly 15 years, Black Wall Design Co. has been making home remodeling and luxury renovation dreams come true for homeowners and businesses across the Chicagoland area. Our firm holds MBE & DBE certifications and is Lead-Safe certified by the EPA. Our managing team brings years of leadership and management skills, contributing to our high levels of customer satisfaction. We are Approved US Government Vendors to fulfill contract projects for Federal, State, and Local Government entities.
